Reminders:

- It is important for us to have the most up-to-date information pertaining to our students. If you take your child to the doctor for a well visit, check-up, shot update, etc. please bring in an updated medical record and immunization record so that we can keep the most up-to-date information in our system. Thank you!
- School Security is very important, when you are leaving our building you should not allow anyone to enter if they are at the door, every person should be entering their own code and if they do not have a code must be escorted through the building by a staff member.
- Parent Volunteers- We would love to have a weekly story-time activity in the multipurpose room with special guest readers—YOU! If you are interested in signing up, please speak to Mr. Ben.
- Show us some love: We would love to have a few families featured on our website with what you love about our school. If you are interested, please let Mr. Ben know and we can set up a time to get your quote and take a family photo.
