## Looking for a Summer Camp near Pflugerville, Hutto or Round Rock TX areas?

Montessori Kids Universe (MKU) strongly believes that children learn best when fully engaged in their learning. Through our **AROUND THE WORLD summer camp** program our students will take a voyage around the world! They will have the opportunity to explore each culture through hands on provocations, sensory experiences, foreign language and music lessons and even special visitors from each country!

There will be Science and Arts (**STEAM**) based activities, including a **Coding** introduction to inspire young brains and nurture their creativity and help them develop and improve their problem solving skills.

Side by side to brain development, physical activity is vital for a child's development and lays the foundation for a healthy and active life. **Amazing Athletes** will be a part of our Summer Camp program to add extra fun, without any extra charge, to our summer physical activities. Not enough? We will also be doing regular **In-House Field Trips** to load up summer fun one step further. It is sure to be a summer they never forget!

**Do not miss the amazing discount for early enrollment and Call TODAY. (512) 642-6300 or [Admin.hutto@mkuschools.com](mailto:Admin.hutto@mkuschools.com)**
